Refugee Gardens

The AARP grant was given to Aging and Adult Services this year. As we have finalized the program needs. We have items on order. We are looking to get 4 raised garden beds and supplies by October. Thank you to the city for allowing us to put these garden beds in the northeast corner of the lot.

Though this is through the refugee program, all seniors are welcome and encouraged to participate and enjoy the gardens.

Evening ESL Class

Currently we are serving
3 Sudanese Senior Refugees
18 Hispanic Seniors
4 Congolese Senior Refugees
1 Iranian Refugee

We have contracted through the state to help fund the program for transporting the refugees from all over the county. This funding will end September 2018. The County will continue to provide transportation for the remainder of the year.

Taylorsville transportation helps to transport those individuals within Taylorsville City. Through the State program we are able to do one time a month outings for the ESL Class, helping them become familiar with the community, as well as, have a hands-on experience with their learning.
